**Project Participating Volunteers:** USS CAPE ST GEORGE Sailors, Rotary Club of Patong Beach and the US Navy League.

### Proposed Project Details and Objectives:

Child-Watch Phuket is a non-government organization, set up and organized by the local community in 1995 to assist, protect, and to take care of children rights effectively. Child Watch is well recognized and known of in the local Phuket community. One of Child-Watch projects is called Holland House, located in Katu (go to : <http://www.childwatchphuket.org/hollandhuis.htm>), not far from Patong Beach. Holland House activities are directed towards (abused) street kids, needy children in one-parent families, or full

orphans of which about 20 live at the COMREL project site. The emphasis is on supporting families which need temporary assistance until stability has been restored or children have reached the age of 18.

**Holland House Objective:**

1. To help children under 18 years old from being abused.
2. To save children systematically and professionally.
3. To create awareness on children's rights.
4. To provide needy children with welfare and basic education.

**Holland House Children Target Groups:**

1. Children rescued from Child labour
2. Children rescued from the Child sex industry
3. Prisoners' children
4. Children rescued from Beggars
5. Abused children
6. Street kids
7. Children at risk

Holland House request some interior rooms and the lower floor entrance area to be painted along with some love and time spent with their children at this Holland House orphanage and day care center.
