RCoPB Services Committee - Rotary Year 2010-2011

COMMUNITY RELATIONS – COMREL

Project: USS GRIDLEY (DDG 101) at Ban Shoampo Mosque, Au Por, Phuket Province, Thailand.

Project Date: **Sunday 1 May 2011**, 07:30 – 13:00, depart from the port 08:00 Meet at the mosque around 08:30.

COMREL Participants and Point of Contacts: LTJG Rachel K. McElvenny, - USS GRIDLEY (DDG 101), Email: mcelverk@ddg101.navy.mil, estimated to complete this job we will need 20-30 volunteers.

Rotary Primary Contact / Report Author: Mark Pendlebury - captainmark55@yahoo.com.au , Local Mobile Phone: 080-145 0740, and Brad Kenny – esp pkt@ksc.th.com , Local Mobile Phone: 081-633 4279

Project Participating Volunteers: USS GRIDLEY (DDG 101) Sailors, Rotary Club of Patong Beach, US Navy League and local volunteers including international school students.

Proposed Project Details and Objectives: The Ban Shoampo Mosque is in a small village, about 5km short of Au Por (Por Bay) in the north east are of Phuket Island near a village called Ban Laeng Dang. Village Mosques and Temples in Thailand are used as village meeting places and recreation by the villagers. The buildings are really only in need of a spruce up. The buildings concerned are attached to the mosque, but are not the building of worship. The requested work is to be in the associated classrooms used for religious education and the washrooms. For directions to this Mosque Thai drivers can call Khun Ya at Mobile Tel: 0801 476 181

83150 Thailand

On the building to the right, the open area downstairs and the stairway up to the first floor was painted by the USS Higgins in a recent COMREL, the remaining second story balcony and room entrance hallway needs painting along with the rooms second floor .

The building below is the bathroom and needs painting inside and outside.

Toilet Building needs painting.

The plan would be to fish and the second floor walkway banister (the white concrete parts – top photos last page), the upper floor entrance hallway and doors, and the inside meeting / classrooms, and paint the small bathroom building both outside and inside (lower photos – last page).
